Here's a Friday [#ChallengeFactory](#) flip on pandemic recovery:

Intergenerational triads can help everyone who lost the opportunity for spontaneous sponsorship and mentorship during COVID-19.

Curious? Read more in our featured article in the [National Institute on Ageing's](#) excellent commentary column.

NIA is Canada's leading public policy think tank on ageing, and our founder [Lisa Taylor](#) is an Associate Fellow focused on the [#FutureOfWork](#), demographics and longevity.
